## BALLISTIC ECO PANTS

### 2050: Ballistic Eco Pants – Men's

These breathable, quick-dry bamboo blend pants are great for sports or as casual attire. Reinforced stretch panels in back and on the knees protect you from abrasion, while the soft, brushed interior regulates temperature and keeps you comfortable all day.

### FABRICS

Main fabric: Bamboo, carbon, nylon, spandex with 4-way stretch.

Secondary reinforcement fabric: stretch nylon.

### FEATURES

QUICK DRY

ANTIMICROBIAL

ABRASION RESISTANT

4-WAY STRETCH

TEMPERATURE REGULATING

BREATHABLE MOISTURE CONTROL

- Naturally anti-microbial bamboo charcoal fabric wicks away moisture.
- Durable, quick-drying stretch materials are sewn with reinforced, double-stitched seams.
- Soft, temperature-regulating brushed interior.
- Two extra-deep hand pockets, leg pocket and two back pockets.
- Articulated knees, diamond (crotch) gusset, and semi-elastic waist band for mobility.
- Made with renewable, sustainable fabrics.
- YKK zippers.
