UV SHIRT

2046: UV Shirt – Men's Long Sleeve

2045: UV Shirt – Men's Short Sleeve

Worn next to the skin as a base layer, these quick-drying, anti-odor UV Shirts shield against abrasion and provide maximum sun protection at UPF 50+. Soft and comfortable next to skin with flat-lock seams in friction zones to prevent chafing. Highly breathable, stretch fabric and a relaxed fit allow you to move freely while staying cool.

FABRICS

50% recycled polyester and 50% white bamboo charcoal.
